HKTDC Hong Kong International Diamond, Gem & Pearl Show 2017

The world's prime marketplace for diamonds, gems & pearls

A presence at the HKTDC Hong Kong International Diamond, Gem & Pearl Show (28 February - 4 March 2017) means exposure to the global jewellery industry, with its continuing high demand for quality stones, pearls and raw materials. The fair is growing in proportion to demand and its effectiveness is heightened by its conjunction with the HKTDC Hong Kong International Jewellery Show (2-6 March 2017). The two fairs attracted over 80,000 buyers from 147 countries and regions in 2016, a record-breaking total, enhancing the fairs' reputation as the premier marketplace for the industry.

A continuous and complimentary bus service allows buyers to commute between the two venues on the overlapping days.

Strengths of the two fairs

The Diamond, Gem & Pearl Show is a highly specialised trading platform which concentrates on raw materials. Buyers are able to source loose diamonds, semi-precious stones and pearls in a professional environment.

The volume and variety on offer gives buyers a wide range of choice. Despite this large volume, buyers can easily locate appropriate suppliers as goods are well organised into key product categories. There are 3 special zones are dedicated for the rarest pieces of diamonds, gems and pearls:

Hall of Fine Diamonds is for exhibitors of all kinds of quality diamonds in carat sizes and cuts and including fancy colours.

Treasures of Nature showcases precious gemstones from many different origins.

Treasures of Ocean gathers together quality pearls from Tahiti, the South Seas and other sources.

A product section, **Rough Stones & Minerals** was inaugurated in 2016 to showcase unpolished and uncut precious stones.

The iconic HKTDC Hong Kong International Jewellery Show completes the world's leading jewellery marketplace with thematic zones such as the World of Glamour, Hall of Extraordinary, Antique & Vintage Jewellery Galleria, Hall of Fame, Designer Galleria, Hall of Jade Jewellery and Treasures of Craftsmanship.

Whirl of activity

The events of the fair are designed to assist exhibitors and buyers alike. Networking gatherings allow exhibitors to expand their contacts and consolidate relationships. Jewellery parades, seminars and other information sessions are a source of vital market intelligence and expert insights.

HKTDC offers exclusive incentive for first-time overseas buyers.

For enquiries, please contact Hong Kong Office via on telephone 91-(22) 4333 6333 or by email at mumbai.consultant@hktcdc.org

The Hong Kong Trade Development Council (HKTDC) celebrates its 50th anniversary this year. The Hong Kong Trade Development Council (HKTDC) is the international marketing arm for Hong Kong-based traders, manufacturers and service providers. With more than 40 global offices, including 13 on the Chinese mainland, the HKTDC promotes Hong Kong as a platform for doing business with China and throughout Asia. The HKTDC also organizes trade fairs and business missions to connect companies with opportunities in Hong Kong and on the mainland, while providing information via trade publications, research reports and online.

RDI Diamonds® Inc. prides itself on quality, attention to detail, honesty and fairness. Taking care of their customers has been a tradition since they started in 1992. A leader among diamond distributors nationally, they have maintained double-digit growth for over 22 years, and were recognized as an INC. 500 honoree.

Sarine Technologies is the world's leading developer of technologies for the diamond industry. With three decades of experience in the global diamond trade, Sarine is advancing the processes of diamond manufacture, grading and commerce with advanced, accurate tools and solutions used by diamond professionals worldwide.

Venus Jewel, established in 1969, renowned for its commitment to excellence, transparent business practices and ethical values, specializes in precision manufacturing of premium round and fancy shaped diamonds 0.30-15.00-carats in size, D-K colors and FL-I2 clarities, having stunning light performance, symmetry and polish. Pioneers of radical industry revolutionizing trends, we receive direct rough supply from De Beers, Rio Tinto and Dominion Diamond Corporation, and are also official suppliers of their Forevermark, Mine of Origin and CanadaMark diamonds respectively. Highly technology oriented, we offer clients complete confidence through our unique and ingeniously developed path breaking services, key among which are Venus-Grading-System® (VGS®), Venus-Grading-Report (VGR), Diamond-DNA, PreferredDiamond-Selection (PDS), and Matching-Pair, Venus-Diamond-Layouts (VDL).

Vivial manufactures natural diamonds that undergo a proprietary color-revealing™ process that safely simulates the conditions in nature for creating fancy color diamonds, Vivial is both ISO 9001 (Quality management) and ISO 14001 (Environmental management) certified. Vivial offers a one-stop shop of expertise from assessment consulting through delivery of the finished product for clients seeking color-revealing advice and services in order to enhance the value and sales positioning of their existing stock.

YDI is a longstanding key purchaser from all the major rough producers. YDI realizes the full potential of each rough stone, manufacturing quality fine-make 0.005-2cts round diamonds from state-of-the-art facilities in China and Israel. With over 65 years' experience, YDI has become a major manufacturer and supplier of polished diamonds to jewelry and watch industry leaders and retailers around the world. With offices in Tel Aviv, New York, Antwerp, Hong Kong and Shanghai, the YDI staff is dedicated to fulfilling your needs and exceeding your expectations, providing real transparency, real choice and real value around the clock. Equipped with an exceptional stock management system, YDI's extensive inventory has been sorted into over 1,500 narrowly-defined categories, each with its own simple Sortified™ Key Code, as well as GIA Certified Stones and finest Forevermark branded stones so you can always select exactly the diamonds you want.
